ABHISHEK DENODIA

WEB GRAPHIC DESIGNER

A multimedia designer with extensive design and coding knowledge. My skills include photography, motion graphics, kinetic typography, promotion, and advertising for a variety of media and platforms across multiple media platforms. I am a visual-minded individual who is artistically creative, visually oriented, and good at communicating. As my career progresses, I hope to develop management skills and progress to a senior position.

WORK EXPERIENCE

Graphic Design Associate - Internship

Present

RealtyShop.ca, Ontario, Canada

Art Director

2019-2021

Law & Kenneth | Saatchi & Saatchi, India

- Lead a creative design team that provided new solutions through innovative print and digital marketing design to the client.
- Collaborated on pitch deck with Creative Directors and Copywriters to clients by planning, solving complex problems and execution.
- Collaborate with marketing and sales divisions in creating marketing plans, aligning team priorities with business objectives to deliver high-quality work on time and on budget.

Graphic Designer

2018-2019

And And Brand Partners, India

- Develop presentation approaches, styles, and techniques for the team to implement.
- Conceptualize campaign vision, harnessing original graphics, copy, content websites, social media, and other marketing materials.
- Ensure team adheres to current processes, identifying opportunities for continuous improvement, and proposing and creating processes and tools to support design operations.

Creative Consultant

2015-2018

Tree Frogs Communication, India

- Worked on pitches and campaigns Communicating, Analytical Thinking and Creativity.
- Created UI for end-to-end customer experience by developing Interactive Web and Mobile design solutions.
- Responsible for handling product shoots and online creative campaign.
